

GOIN' BALD

FOR BUCKS®

When you decide to donate your hair and collect pledges through Goin' Bald for Bucks, you are making a real difference in the lives of cancer patients!

See below for a list of wig-making charities that accept hair donations. Each place has different specifications, so be sure to review the requirements and select the charity of your choice.

Let us know which one you pick, and we'll help you get an addressed envelope to send in your pony tail.

Thank you for snipping, clipping and shaving your way to cancer cures!
