ROSWELL
PARK
CANCER INSTITUTE

Lesley, cervical cancer survivor

At just 33 years of age, Lesley Maloney, a wife and mother of two young children, learned she had a rare and aggressive form of cervical cancer. A few months following her surgery and treatment, she was devastated to hear that her cancer had returned.

Despite facing treatment once again, Lesley chose to give back to Roswell Park by shaving and donating her hair before chemotherapy could take it from her, all the while raising funds for cancer research and patient care through the Goin' Bald for Bucks program.

“Bald for Bucks. It’s easy, right? Raise some money and shave your head. But it’s so much more than that. All these people came together to raise money for this amazing institution that is helping to save lives,” she said in a post to her blog, *My Red Shoe Adventures*.

Like you, Lesley and her family want to eradicate cancer — a disease that has affected the lives of so many.

Thank you for supporting Roswell Park and the nearly 34,000 patients and families like Lesley’s who turn to us for hope each year.

ROSWELL PARK ALLIANCE FOUNDATION

The Foundation’s goal is to help secure critical donations for Roswell Park Cancer Institute’s life-saving research and compassionate care programs that address the psychosocial needs of patients and families touched by cancer. Formed in 1991 as an independent 501(c)(3) not-for-profit organization, the Foundation receives and administers all donations to Roswell Park Cancer Institute.

A MESSAGE FROM THE CO-CHAIRS

Dear Gratwick Society Friends:

Thank you for your commitment and dedication to Roswell Park Cancer Institute and for being a loyal member of the Gratwick Society. We are honored to serve as the co-chairs of this esteemed group and also as members.

As co-chairs, it is our privilege to report that Gratwick members, who have made gifts of \$1,000 or more, contributed **more than \$9 million** between April 1, 2016, and March 31, 2017. This past year, donor dollars have made a powerful impact on the programs that affect our patients and families who rely on Roswell Park.

With your support, Roswell Park continues to invest in innovative cancer research projects that advance treatment and care for our patients and help them and their families as they face a cancer diagnosis. Together, we make positive changes for our community and all those who benefit from Roswell Park’s mission to **understand, prevent and cure cancer**.

Once again, we greatly appreciate your leadership and your commitment to Roswell Park. On behalf of Roswell Park’s patients, faculty and staff, thank you for your continued generosity.

Sincerely,

Donna and Ambassador Anthony Gioia
Co-Chairs, The Gratwick Society

Cynthia and Patrick P. Lee
Co-Chairs, The Gratwick Society

NEW RECRUIT SPOTLIGHT

Pawel Kalinski, MD, PhD

- Vice Chair for Translational Research, Department of Medicine
- Director of Cancer Vaccine and Dendritic Cell Therapies, Center for Immunotherapy
- Co-Leader, Tumor Immunology & Immunotherapy Program
- Rustum Family Professor for Molecular Therapeutics and Translational Research

Dr. Kalinski is a renowned investigator who focuses on large program grants and brings to Roswell Park an innate ability to unite people from multiple sites and specialties to address a medical problem. He joins Roswell Park from the Hillman Cancer Center at the University of Pittsburgh.

Igor Puzanov, MD, MSCI, FACP

- Director of Early Phase Clinical Trials Program
- Chief of Melanoma
- Co-Leader, Experimental Therapeutics Program

Dr. Puzanov brings with him a far-reaching reputation that is drawing new interest from pharmaceutical companies to run their initial clinical trials at Roswell Park. Dr. Puzanov comes to Roswell Park from Vanderbilt University.

Shirley Johnson, MBA, MS, RN

- Senior Vice President of Nursing Patient Care Services
- Chief Nursing Officer

Ms. Johnson joined the Roswell Park staff with nearly 25 years' experience in oncology nursing and nursing administration, and with four decades of service as a registered nurse. In addition to Roswell Park's 600+ nurses, Ms. Johnson oversees the work of staff in patient care services, including clinical nutrition, rehabilitation services, case management and social work areas. Ms. Johnson was most recently Senior Vice President and Chief Nursing and Patient Care Services Officer at City of Hope in Southern California.

THE IMPACT OF YOUR SUPPORT

At Roswell Park, the cutting-edge discoveries made by our world-renowned scientists change the face of cancer treatment for thousands of patients every year. But it only happens because of your support. Below are just a few of the initiatives you have made possible with your continued support.

Expanding Personalized Medicine

We're excited to announce that a genetic test developed at Roswell Park that has been successful in identifying personalized treatments for lung cancer will now be expanded to other cancer disease sites, such as melanoma, colon and breast, as well as to pediatric use. **OmniSeq ComprehensiveSM** is a one-of-a-kind tool that looks for cancer-causing genetic mutations that can be targeted with personalized drugs.

Your donations enabled Roswell Park to provide the test to more than 600 patients and, thanks to the data collected from these tests, to help justify broader insurance coverage for adult patients through area providers. Your continued support will now allow us to make this test available to our youngest patients as well, as we pursue the most effective therapies for their cancer.

CIMAvax-EGF[®] Clinical Trials

Roswell Park is the only facility in the nation offering U.S. patients the groundbreaking lung cancer vaccine CIMAvax, which works by utilizing the immune system to attack cancer cells. Developed by scientists at the Center for Molecular Immunology in Havana, Cuba, CIMAvax is now in clinical trial phase I/II study at Roswell Park — trials only made possible by your donations. Your continued philanthropic support will allow Roswell Park to further test the vaccine so that we can improve the treatment of lung cancer and explore its potential in treating other cancers, such as colon, prostate and breast.

Advancing Immunotherapy Studies

Immunotherapy is the future of cancer treatment, and Roswell Park's Center for Immunotherapy, led by Kunle Odunsi, MD, PhD, FRCOG, FACOG, plays a key role in advancing discovery and treatment with immunotherapies that harness the body's own immune system to fight cancer. Your continued contributions will enable Roswell Park to keep making breakthroughs in immunotherapy treatment as we pursue a cure for all patients.

THE GRATWICK SOCIETY

In 1900, the Gratwick family provided Dr. Roswell Park with an extraordinary gift of \$25,000 to help establish what is known today as Roswell Park Cancer Institute. In appreciation to the Gratwick family, the Gratwick name was chosen to identify distinguished individual donors who offer leadership gifts in the same generous spirit. **Members of the Gratwick Society contribute \$1,000 or more annually in support of Roswell Park's vision to create a world without cancer.**

August 28, 1900

My dear Doctor Park,

My mother wishes me to say that she would consider it a privilege to assume the expenses of building a laboratory to be devoted to the investigation of cancer such as is contemplated by you; the expenses of such an undertaking to be about \$25,000.

And she wishes me to say that one of the strong reasons influencing her decision is that the work will be under your supervision and management.

My mother wishes to attach no conditions whatever in this matter, but she would much appreciate it if her name could be kept out of the newspapers in connection therewith, feeling averse to any publicity in the case.

Yours sincerely,
W. H. Gratwick

Martha W. Gratwick

William H. Gratwick

Gratwick Laboratory, High Street

Gratwick Society Membership List

For the fiscal year of April 1, 2016 to March 31, 2017

The listed Gratwick Society members have made contributions of \$1,000 or more, including cumulative gifts, pledges or pledge payments during this fiscal year.

Thank you for your generous support!

While every effort is made to have an accurate list, we apologize if we have omitted or incorrectly stated your name or gift amount. Please call 716-845-4391 to correct this information.

Katherine, Anne and Donna Gioia Pediatric Hematology Oncology Center at Roswell Park Opening in September

We are pleased to announce the grand opening this September of a special new unit advancing pediatric care in Buffalo. Thanks to your generous gifts, the **Katherine, Anne and Donna Gioia Pediatric Hematology Oncology Center at Roswell Park** will bring all outpatient care for childhood cancer and blood disorder patients — previously conducted in two different centers — into one location on the Roswell Park campus. The center will provide specialized care for infants, children and young adults in a setting designed especially for them and their families as they battle life-threatening or debilitating chronic illnesses.

The center is part of the **Roswell Park Oishei Children's Cancer and Blood Disorders Program**, a joint initiative with John R. Oishei Children's Hospital enabling increased collaboration in pediatric care for our youngest patients. We are very grateful for all the community support that made this possible — but especially for you and your ongoing commitment to support care and cures at Roswell Park.

The Gratwick Society

Roswell Park Alliance Foundation
Elm & Carlton Streets • Buffalo, NY 14263
716.845.4391 • 716.845.8705 (fax)
RoswellPark.org/Gratwick

As a Gratwick Society member, please join a behind-the-scenes tour of Roswell Park and see firsthand your donor dollars at work. Tours are an opportunity to learn more about the Institute by visiting labs, meeting researchers and seeing the latest in treatment technology. Please contact Bailey Muto at 716-845-3916 for more information or to reserve your date.

How to make your gift:

Your gift of \$1,000 or more can be made by pledge, check, credit card or stock transfer to:

Roswell Park Alliance Foundation, Elm and Carlton Streets, Buffalo, NY 14263
[online at RoswellPark.org/Gratwick](http://RoswellPark.org/Gratwick)
by phone at 716-845-4391

Thank you for your support!
