

# CARES ACT

The CARES Act (Coronavirus Aid, Relief and Economic Security) was signed into law on March 27, 2020 and recognized the important role that charitable giving plays in supporting the needs of our communities as we battle COVID-19. It contained a number of giving incentives for donors. Several of these incentives were extended through 2021 as part of the Consolidated Appropriations Act that was signed into law on December 27, 2020.
