You and your family would be invited to join the 300 guests who attend the Walk of Life Dedication Ceremony held every summer.

The Helfer Family poses for a group photo while paying tribute to their loved one with a bench on the Roswell Park campus at the dedication ceremony.

Each attendee receives flowers to lay on their brick, paver, tree or planter.

A message from new Chair Caroline Gilfillan

It is with heartfelt sorrow that I acknowledge and honor the passing of Dr. Roswell Park IV, former chair of the Walk of Life and Gardens of Hope program. Ros, as he was so fondly known around campus, was among the original volunteers within the Roswell Park Alliance Foundation. During his chairmanship, over \$1 million was raised through the many dedicated inscriptions that can be seen throughout Kaminski Park. His commitment to Roswell Park was unwavering, and his presence will be profoundly missed.

The last few months have brought some unimaginable changes. And, although many things are different this year, gratitude for community support remains unwavering. During this challenging time, your efforts bolster innovative cancer research, which advances treatment and care of patients. Thank you for your advocacy of Roswell Park's mission to eliminate cancer's grip on humanity.

On behalf of the patients, faculty and staff of Roswell Park Comprehensive Cancer Center, I personally thank you for your dedication and support in paying tribute to your loved ones, while providing the philanthropic funds so needed in the quest to understand and eventually conquer all forms of cancer.

Sincerely,

Caroline Gilfillan

Tribute to Mr. Waldemar Kaminski, 1917-2006

Kaminski Park was one man's vision. Mr. K, as he was known, was a humble man who wanted a place where Roswell Park patients and their families could share special moments together.

Thanks to his foresight and very generous donation, the Park was designed and built in 2000. To honor his request, the Park was known as WJK Park during his lifetime. Upon Mr. K's passing in the summer of 2006 at age 88, we were honored to rename the park, with his prior consent, as Kaminski Park.

In addition to being a wonderful respite at the Cancer Center for everyone, Kaminski Park has become a venue for community events and celebrations, offering moments of tranquility and enjoyment to the Roswell Park family, its patients and the community at large.

One humble man, one gift, touching so many lives.
